WHEREAS, the Town Board of the Town of Lancaster has inspected property situate on Walden Avenue to wit: an approximately 75,000 sq. ft. commercial purpose building with office and warehouse space for the sum of \$1,630,000 with the intent and purpose of the Town Board to consider the possible utilization of the beforementioned facility as a town center to locate the Police Station, the Town Court and for Recreation Department uses, and

WHEREAS, the Town Board after giving due review and consideration to the size and condition of the building and its availability at a price significantly lower than the cost of constructing a new building deems it in the interest of the residents of the Town of Lancaster to enter into a contract for the purchase of the facility based upon the following facts:

- 1) Over the past several years consideration has been given to the construction of a police/court building. The cost estimate for such a facility has been in the neighborhood of \$5,000,000 for a building less than half the size of this building.
- 2) This building will be able to house not only the Police Department with the Town Court but will also accommodate the consolidation of Recreation Department uses.
- 3) This facility with its available warehouse space can be used to house vehicles owned by the Police Department, the crime lab and other police functions which are currently housed in a warehouse style building behind the Town Police Department on Pavement Road. The Highway Superintendent has previously requested that the Town Board consider a new building at the Highway Department garage on Pavement Road for vehicles and other equipment which cannot presently be stored indoors. The need for a new building for the Highway Department and the cost thereof will be obviated by the transfer of the Police Department from its garage building to this facility on Walden Avenue with the Highway Department then taking occupancy of the vacated police garage.

WHEREAS, the Town Board now deems it appropriate to authorize the Supervisor of the Town of Lancaster to enter into a contract for the purchase of the beforementioned building.

NOW, THEREFORE, BE IT
